

Security Chain

Product Page: <https://www.abaconproducts.com.au/product/security-chain/>

Product Description Security Chain

Available in 8mm and 10mm sizes, hardened security chains are made of a specially formed hardened steel. This design makes the security chain virtually impossible to cut through with bolt cutters. Use this chain to secure your bike, motorcycle, generator, front gate or anything you want to keep safe.

Sizes: 8mm, 10mm

Length: 50cm, 1m, 2m, 5m or by the metre.

Also available, a premium security chain, size:10.5mm. This chain has been double

hardened to 58-60 Rockwell which makes it impossible to cut through with bolt cutters.

Need another product variation or quantity. We can help with that too! [Contact us](#) today for more information.
